

Race Competitions & Race Support

With the development of the club moving to a year round programme, the club will promote to Athletes key races through the year that should be considered to enter and compete in. A full listing of race listings for the ski year calendar is published by GBSki at gbski.com/calendar.php

The Coaches & Club will suggest and recommend which races are planned as supported races with coaches. There will be Coach support at these races

Those trainees who have signed up for 2 days of the Core Programme, Saturday & Sunday, there is no extra charge within the Core Programme. For those trainees signed up for 1 day core programme, either Saturday or Sunday (single days), any additional days not on your core training day are charged at £22.

If the race is cancelled on the morning and your child goes for training with the coaches, £22 is also payable if this is not their core training day.

Webcollect will be used for the payment of these days.

After the results are published the Club will contact parents asking for payments for their child's extra day.

ace Support can be requested and paid for at the webcollect link

webcollect.org.uk/csc/category/courses-1

We request no money upfront as Races are weather dependent and no money through the Clubs bank account; please use the setup on Webcollect for additional days training/race support and confirm which day it is for, please.

Freestyle

Freestyle any competitions support on Saturdays and outside the Core training dates are £22 per day.

Again, webcollect will be used for the payment of these days, same link; the Coaching Trustee will advise who needs to be billed and will contact the parents for payment.
